- **Cost:** \$75/session; or your insurance plan may cover acupuncture sessions for various conditions. Call (714) 773-7000 and mention your health insurance to verify eligibility.
- **Description:** Acupuncture is a scientifically validated, effective treatment for pain control. Pain in the areas around the spine and joints is usually due to inflammation in the muscles and ligaments. Placing acupuncture needles in these areas helps reduce inflammation, furthermore, control pain and treat muscle spasm, as well. Combination of traditional acupuncture with electro-stimulation and cupping are rendered together to maximize the therapeutic effect.

COMMONLY TREATED CONDITIONS

- musculoskeletal pain, headaches and other chronic pain

Call (714) 773-7000 to schedule your next appointment!
