

HORMONE BALANCE

PROGRAM FOR WOMEN

St. Jude Wellness Center

HOW DO I START?

Step 1: Book your FREE discovery call if you'd first like to discuss your symptoms before booking an appointment. If not -- proceed to step 2.

Step 2: Book your initial dietitian consult for a full health assessment and receive nutrition, supplement and lifestyle protocol (\$80).

Step 3: If further hormone evaluation is needed, enroll in our HORMONE BALANCE Program (\$625-725).

- DUTCH TEST to identify potential sex and adrenal hormone imbalances.
- 3 follow-up appointments & personalized protocol based on test results.

**For questions & to book your FREE Discovery Call, contact us at
