

Oncology Massage

An oncology-trained massage therapist has completed comprehensive training in massage therapy as well as additional specialized training that addresses the side effects of cancer and its treatments.

Customized Care

Your massage is customized and unique to your needs as someone who currently has or had cancer in the past.

Benefits

- Reduce pain and fatigue
- Decrease anxiety and nausea
- Improve sleep
- Ease isolation
- Nurture well-being
- Touch that feels good

Adaptable

An oncology trained therapist will adapt for:

- Fatigue and peripheral neuropathy
- Low blood cell counts or blood clots
- Radiation or surgery
- Removal of lymph nodes
- Lymphedema or risk thereof

Sessions

A massage session with a therapist certified in oncology massage or lymphatic drainage. If you or someone you care about is in or has a history of cancer treatment, please request an oncology-trained therapist.

20 minutes ... \$40

50 minutes ... \$80
